1	From the D.G.P. Letter no. B2C. 37/59 of 23-3-60 requesting transfer of S. No. 27 of Kallapur (Forest area) in Bagalkot Taluk for Rifle Range to Police. (20 acres)
2	Survey no. 27, in the Forest of Kallapur, Bagalkot is required by the Basaveshwara College and the Police dept. for constructing Rifle Range for shooting purposes. The Forest dept seems to have told the Police Dept that the former has no objection to allow the Police dept subject to the condition that the Basaveshwara College NCC Battalion is also allowed to use the Range. But the D.G.P. has put in an old Record of 1956 & has not put in the recent reference from the Police Dept. If the land is transferred to Police dept. it may or may not allow the use in future as the permission will be obligatory. ~~It may perhaps be recommended for this purpose subject to the condition that both the depts use it~~ However this may be transferred to Forest dept for consideration & issue of necessary orders.
3	Since the proposal is dropped vide letter dt 1/6/60. Forest dept to inform Police Dept for a Rifle Range this may be sent to A.C.F. for necessary action in connection with the C.F.

No. B2.C.37/59

23 March 1960

Sub: Construction of a new Rifle Range in Forest Survey No.27 of Mallapur, Bagalkot Taluk - Proposals for transfer of the land for the purpose -

...

There is a Firing Range at Bagalkot and this is being used for Firing Practice with .410 Muskets. It is now reported that a new road is under construction from Bagalkot to Sangam via Sitimani and this road passes pretty close to the existing Firing Range. In view of the proximity of the road, it is considered hazardous to continue the Firing Practice in the present Range and this has necessitated the look out for a Range situated at a safer place far removed from the busy areas.

The Superintendent of Police, Bijapur District, inspected several places for the purpose and selected a plot of land measuring twenty acres in Forest Survey No. 27 near Mallaya's Hills in Mallapur situated at a distance of about three miles from Bagalkot. On receipt of his proposal, the Chief Conservator of Forests was addressed in the matter. He replied that he has no objection to the transfer of the forest land measuring twenty acres from Forest Survey No. 27 of Mallapur for constructing a Rifle Range provided the N.C.C. of the Basweshwar College are also allowed to practice in the area as they have also asked for the same plot of land for a similar purpose. The land in question is a pasture with no tree growth and the question of deforesting it does not arise as per Article 142 of the Bombay Forest Manual, Vol. II as the area is required for a Government Department. The Chief Conservator of Forests has stated further that sanction of the Government is necessary for the utilisation of the land by the Police Department and that the same may be obtained.

In the circumstances, I request that the Government may be pleased to sanction the transfer twenty acres of land in Forest Survey No. 27 of Mallapur for constructing a Rifle Range at the place. The file of records received from the Chief Conservator of Forests is also enclosed for reference and return.

Yours faithfully,
